STAGE RIGHT of Texas, resident theatre company at the historic Crighton Theatre, has two treats in store for audiences to kick off the New Year. First up is the premiere presentation of STAGE RIGHT Old-Time Movie Night! We will be presenting the movie *Frozen* on the big screen at the Crighton for two showings at 2 pm and 6 pm on January 21. We will have a costume contest, fresh hot popcorn and water to be allowed in the auditorium, sing-a-long and other surprises! So dress up as your favorite *Frozen* character and join the fun! We are selling general admission seating (just like the movie houses), so come early for a good seat. Tickets are available by calling the Crighton box office at 936-441-7469 and online at [www.stage-right.org](http://www.stage-right.org). Let it Go, let it go.....

Next up from STAGE RIGHT will be the classic musical comedy romance of the Broadway stage: *My Fair Lady* to be presented February 10-26. Based on George Bernard Shaw's play, *Pygmalion*, acclaimed Professor and confirmed bachelor Henry Higgins makes a wager with his linguistic colleague Colonel Pickering that in six months he can pass off "gutter snipe" Eliza Doolittle as a duchess at an embassy ball. Through arduous training, day and night, Eliza learns how to speak English "properly," and transforms into a lady respected and adored by all classes. Along the way she bewitches young Freddy Eynsford-Hill into falling in love with her, and convinces a supposed linguistics expert that she is royalty. Through her transformation process, Eliza forges a deep connection with Colonel Pickering and most especially with Professor Higgins. However, she finds herself in a difficult position, now too refined to go back to her old life as a flower girl in Covent Garden and not with any means or desire to live life as a lady of leisure – especially by herself. When Higgins completely fails to acknowledge Eliza's role in her own transformation, she leaves his home. It is only then that Higgins realizes that he cares deeply for Eliza. With song classics of musical theatre including "I Could Have Danced All Night," "Wouldn't It be Lovely," "On the Street Where You Live," and the rollicking "With a Little Bit of Luck," and "Get Me To The Church On Time," *My Fair Lady* will bewitch and amuse you from start to finish!
